

Branded Online Ordering App

Your Brand, in Their Pocket. Instant Access. Lasting Loyalty.

Stay connected to guests on the devices they use most

The Branded Online Ordering App puts your restaurant front and center with a fully native, on-brand experience built for repeat business. Push notifications keep guests engaged, while Apple Pay makes checkout quick and easy. Every order flows directly into your HungerRush POS—so your guests stay connected, your team stays efficient, and you stay in control.

Why Restaurants Love It

Stay Top-of-Mind

Your logo and brand live on guests' phones 24/7.

Drive Repeat Orders

Push notifications make re-engagement effortless.

Offer True Convenience

Mobile-native design and Apple Pay speed up checkout.

Streamline Operations

Orders flow directly into POS and KDS—no new workflows.

Protect Your Brand

No third-party marketplace distractions or commissions.

Build Loyalty

Integrates with HungerRush Loyalty for easy earning and redemption.

How It Works

1

Guests download your branded app from the App Store or Google Play.

2

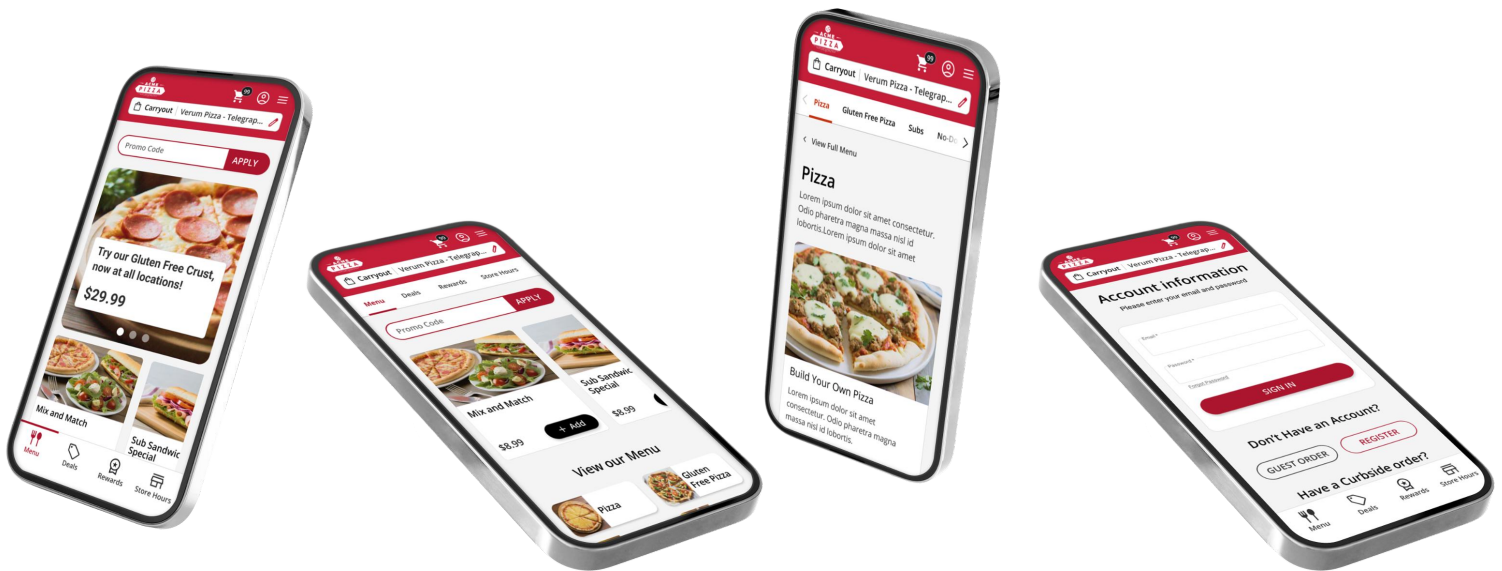

They browse your menu, customize orders, and pay using Apple Pay or other secure methods.

3

Orders route instantly to your HungerRush POS and Kitchen Display System.

4

Push notifications re-engage guests with promotions, reminders, and order updates.

Key Features

- Fully branded native app with your name, logo, and colors.
- Push notifications for offers, updates, and guest re-engagement.
- Apple Pay for instant checkout.
- POS integration for real-time ordering and accuracy.
- Consistent experience shared with your web-based Online Ordering.
- Automatic updates and maintenance handled by HungerRush.

About HungerRush

HungerRush is a leading provider of integrated restaurant technology solutions. We partner with restaurants of all sizes and cuisine types—from single locations to multi-unit brands. Backed by restaurant, technology, and marketing experts who are *always by your side*, our cloud-based POS Platform connects digital ordering, delivery, guest engagement, kitchen operations, reporting, marketing, and payment processing in one system.
