

Your Guests, Your Data, One Connected Platform.

When every interaction strengthens connection,
everything clicks.

Disconnected Tools. Disconnected Results.

You invest to attract guests, but keeping them engaged is harder than ever.
As they move between apps, marketplaces, & stores, they expect recognition everywhere.
HungerRush unifies loyalty, marketing, & feedback in one connected platform.

5x

More cost is spent to win
a new guest than to
retain one.

30%

More is spent per order
from guests who feel
personally recognized.

2-3x

Loyalty members visit more
often—especially when rewards &
communication all work together.

A Unified Way to Connect with Every Guest

HungerRush Guest Engagement works like a revenue generating flywheel.

The integrated system works together to build loyal customers,
increase repeat orders & attract new guests. With results you can see.

REAL RESULTS

Restaurants using HungerRush engagement
tools turn communication into conversion.

A two-week text campaign saw a

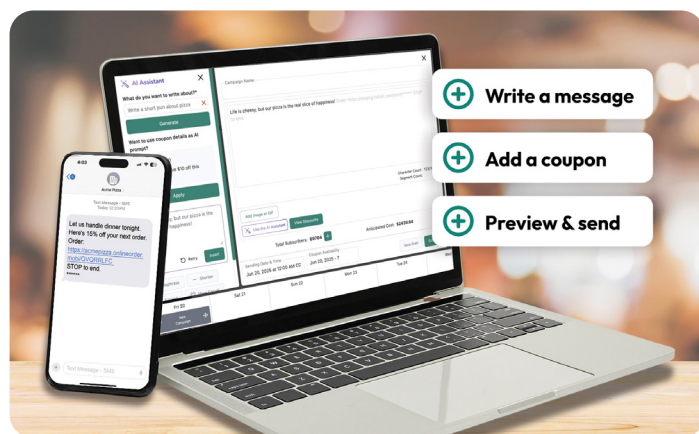

29% redemption rate & \$219K
revenue.

Turn Orders into Fans

Earn repeat orders with loyalty rewards, timed offers, & automated campaigns that re-engage guests and keep them coming back.

- Reward loyalty with points that keep guests coming back.
- Launch automated offers & cross-channel promos easily.
- Boost ticket size and visits through automated campaigns.
- Optimize results with experts who know restaurant ops.

POS-powered loyalty & marketing drive smarter guest engagement.

Simplify Guest Communication

Engage guests with timely, relevant messages that feel personal & effortless—no extra logins or disconnected tools.

- Connect with texts & offers sent from your POS.
- Strengthen loyalty with automated feedback & thank-yous.
- Create campaigns faster with AI-powered tools.
- Protect your brand with real-time review tracking.

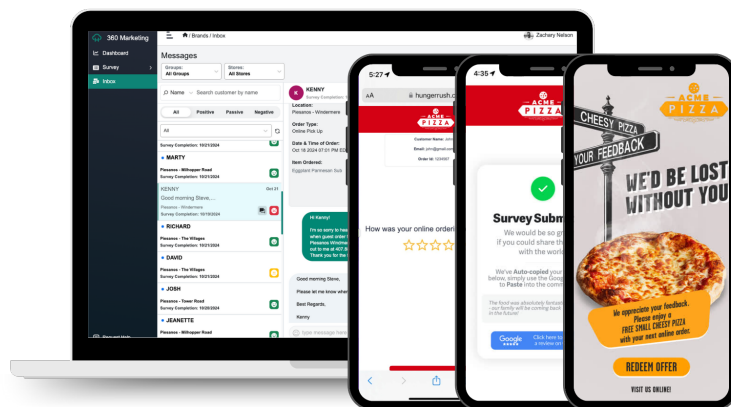

One connected platform powers texts, feedback, & automation for effortless, on-brand messaging.

Know What Works

Get clear visibility into what drives repeat orders & guest satisfaction—because every insight & interaction connects back to your POS.

- Prove ROI: Track how texts, offers, & rewards directly impact revenue.
- Spot Trends: Compare store or promo results side by side to see what performs best.
- Act Quickly: Use real-time feedback and sentiment data to improve guest experience.
- Optimize Campaigns: Refine future outreach with live performance insights.

Own Your Data: All results flow natively into your POS—no extra logins or guesswork.

About HungerRush

HungerRush is a leading provider of integrated restaurant technology solutions. We partner with restaurants of all sizes and cuisine types—from single locations to multi-unit brands. Backed by restaurant, technology, and marketing experts who are *always by your side*, our cloud-based POS Platform connects digital ordering, delivery, guest engagement, kitchen operations, reporting, marketing, and payment processing in one system.
