

HungerRush Hub App

Your operations, one tap away.

The App That Keeps You in the Know

The HungerRush Hub App gives you real-time visibility into sales, labor, and delivery across all your locations—right from your phone. It's a daily snapshot of how business is running, helping you stay informed, monitor staffing, and manage operations from anywhere.

Why Restaurants Love It

Know What's Happening

Know What's Happening See sales, labor, and delivery data across your stores—anytime, anywhere.

Keep Labor in Check

View who's clocked in and track labor % to control costs.

Review Performance at a Glance

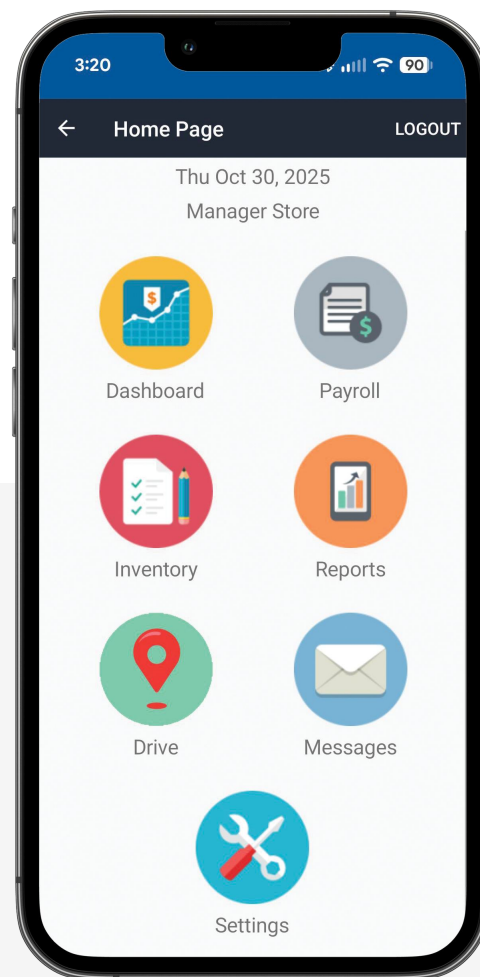

Evaluate store sales side by side and monitor delivery times and late orders.

Act with Confidence

Get the data you need to make faster, smarter decisions.

Manage Every Location

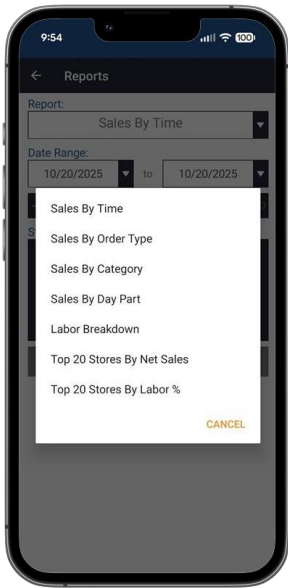

Stay in control of operations across all stores, even off-site.

“All of our partners can view our stores in the app, which is awesome. I use it every day to check sales, labor, and who's clocked in—it's a great tool for staying connected to both locations.”

—Michael Stewart, Franchise Owner, Jet's Pizza
